Subject: Heartfelt Thanks for Radha Belsare's 'Student of the Year 2025' Recognition

To

Dr. Ashwini Kulkarni

Director, City Pride Group of Schools

Dr. Deepali Sawai

Director, City Pride Group of Schools

Dr. Kanchan Deshpande

Principal, City Pride School

Hello,

With heartfelt gratitude, we thank you for recognising Radha as the 'Student of the Year 2025' in 9th standard. It is a very special moment for us.

City Pride's inter-school competition was outstanding. The thoughtful events - from the business pitch, to 1:1 questions on 'AI in Education', to the group activity 'Street Show' that combined teamwork with individual expression - gave students a truly meaningful platform. The presence of esteemed judges and the overall design reflected the school's clear vision.

We are deeply thankful to all the teachers for their guidance, warmth, and encouragement. The positive environment at CPS gives children confidence and genuine joy in learning.

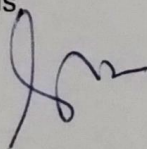

As parents, we tend to focus overly on improvements only. However, recognition like this reassures us of Radha's potential and inspires her to grow further.

Enrolling Radha in City Pride 12 years ago has always felt like the right decision. She has never once hesitated to go to school, which speaks volumes about the environment she experiences here. Coming from a family of teachers - with my parents, Nisha and Rajnikant Belsare, running 'Sainath Balak Mandir' in PCMC for 53 years - we genuinely appreciate the intent and effort behind CPS's initiatives.

Radha is blessed to be part of CPS. Getting this recognition now in 9th, and earlier in 6th, reflects both her dedication and the strong foundation the school has built around her.

Thank you for your leadership and for creating opportunities that shape students so meaningfully. We remain truly grateful.

Warm regards

Amruta & Saiprakash Belsare
